Our Mission

Winchendon Winds offers entertaining, enjoyable and inspiring live band concerts to everyone in the Monadnock region. We will present a wide variety of traditional, popular and contemporary music performed by some of our finest local players.

About Our Conductor

Taking up the baton is Winchendon's own Lucinda Ellert. Lucinda has been conducting the Reading Civic Concert Band for 14 years and the Chelmsford Community Band for the last three years. Prior to that, she was the leader and arranger for the Happy Feet Dance Orchestra. Lucinda is a graduate of the New England Conservatory with degrees in Composition and Music Education. She is thrilled to be conducting a band in her home town, and has selected musical programs that are sure to delight audiences of all ages. When not immersed in music, Lucinda and her husband Dan are restoring an historic house, the site of an old sawmill, in Winchendon.

Winchendon Winds is a 501(c)(3) non-profit organization.
